Soft Top Bimini with Full Enclosure

MANY Updates in 2006-2007

And MUCH, MUCH More - See the Full Specs for Details!

The 350 Catalina double cabin cruiser was one of the most popular family cruising boats ever produced. With classic lines and wide beam, this cruiser has spacious interior and exterior accommodations that feel like those of a much larger boat.

A large raised helm offers nice visibility for the captain while the aft deck seating area with gas grill provides an “outdoor” entertaining space with a great view. The full enclosure ensures the helm and aft deck are comfortable in all climates. As an added bonus, there is additional cushioned deck seating on the bow to enjoy a sunny day.

The interior of *Pardner Ship* has a very functional layout. The large salon and galley with big glass windows feels open and airy. A custom sleeper sofa with recliner is great for lounging or for accommodating additional guests. There are two private staterooms. A guest cabin is forward with double bunks and good hanging/storage space. The master cabin is aft with a QUEEN berth, built-in dressing table, excellent closet/storage space as well as a private entrance into the roomy head with separate shower stall. Air conditioning/heat along with a generator will ensure you and your guests are comfortable in the marina or at sea.

Pardner Ship spent a large part of her life on a fresh water lake and in a shed. She has been well-maintained and received many updates through the years. This boat is big enough for the whole family, yet can be handled by one person.

Accommodations

This boat has a great layout that utilizes the full interior of the boat. Starting forward from the chain locker, there is a private guest stateroom with a split over/under bunk set-up which enables a nice walk-in area. A large hanging locker and drawers offers great storage.

Two steps up from this stateroom is the spacious, light and airy salon with an L-shaped galley positioned in the forward starboard corner. A custom sleeper sofa and recliner make this a comfortable place to relax in or to accommodate additional overnight guests. The furnishings of this area can be arranged any way you would like.

From the salon, one can step up three steps to the bridge or walk down two steps to the aft master stateroom and the large head. The head has a separate shower as well as adequate storage and a private entrance into the master suite. The master stateroom has a queen-sized berth with well-placed reading lights, tons of counter and storage space and a large vanity with mirror and stool. All of the berths have very attractive custom covers.

Overall, the neutral, yet nautical colors and décor are complimentary throughout the interior, making the overall appearance feel clean and classic.

Galley

Between the compact galley and gas grill on the aft deck, you have everything you need for a weekend on the water!
